To Whom It May Concern:

We have been working with Robert and Shawn for over ten years, both with their former employer, and now as KSI Construction.

Robert and Shawn are personable, hardworking individuals with a knack for getting things done. They are excellent communicators and problem solvers with a natural ability to get to the heart of the matter at hand. Robert and Shawn have an excellent, hands-on working knowledge of all phases of construction. Their new company is the perfect platform to showcase their skills, integrity and ingenuity. We are very confident in their ability to provide an excellent product, on time and within budget, and...we do not hesitate to recommend KSI Construction to our clients for all their construction needs.

If you have any questions, please do not hesitate to call me.

Sincerely,

PURDY & SLACK ARCHITECTS, P.C.
